

Baker County

Addendum #1

3/15/18

**RFP 2018-06 Special Magistrate for Code Enforcement Services**

ANSWERS TO QUESTIONS:

1. **QUESTION:** What is the pay range for prior magistrates for the code enforcement board?

**ANSWER:** Baker County has not utilized a special magistrate for code enforcement services in the past. To prepare for the transition from Code Enforcement Board to a Special Magistrate, we have budgeted \$100 -\$150 per hour for these services.
