BID 2018-13 Aluminum Awnings for Animal Control

The following is a change to the specifications for the above referenced bid. Bidders shall incorporate these changes into their final bid response.

1. Minimum Requirements. The requirement of a “qualified general contractor” has been removed. Delete items 1) 2), and 4) in this section. The County will accept bids from awning contractors for this project.
2. Remove reference to “Engineered stamped drawings”. County will accept a drawing approved by a registered engineer.
3. Remove requirement for permits. Contractor must utilize best practices per local and state codes, and in the industry for installation of this project.
4. Bid Due Date: The bid due date has been extended to August 16, 2018 at 3:00PM
5. Optional site visit - If Awning contractors wish to visit the site, they may do so during Animal Control office hours. Please call for an appointment (904) 259-3613.
