The following is an addendum to modify the Construction Documents for the above named project. The addendum is issued for the information of the Bidders and will be part of the Agreement Between Owner and Contractor.

**DESCRIPTION: RESPONSE TO REQUESTS FOR INFORMATION**

1. **Clarification:** Sheet A0.09 & A1.21 both have black circles and squares. We presume these are supposed to be notes and/or plan note numbers. Please Clarify.
   **Response:** Demolition notes are numbers inside of circles in 1/A0.09 and 1/A1.21. Rectangle note symbols on A1.21 indicate interior finishes.

2. **Clarification:** A1.21 demolition plan note #10 states “remove HVAC grills and ceiling mounted equipment…” Please clarify equipment.
   **Response:** See revised A1.21 for clarification.

3. **Clarification:** A0.05 “Testing Laboratory Services: Test of materials, equipment and systems require as part of the construction documents shall be paid for by the contractor…” Please clarify what we are to have tested on this project.
   **Response:** See revised A0.05 for clarification. Material testing not expected to be required.

4. **Clarification:** S-1.1 There is a section of two notes titled “epoxy grout anchors.” There are currently no epoxy anchors shown in this scope of work. Please clarify.
   **Response:** Grout anchors are not expected to be required for this project.

SINCERELY,

CHRISTOPHER M. DONNELLY
