

Baker County

Addendum #1

2/25/2020

**BID 2020-01 Cuyler Fire Station Remodel**

1. The County has removed the requirement for General Contractors to provide bids for the well and septic portion of this project. The County will receive bids for this project separately. General Contractors will be responsible to provide plumbing for the building and connection to well/septic.
  
2. **The deadline for this project this project has been extended to Friday, March 6, 2020 at 11:00 a.m.**
