BAKER COUNTY BOARD OF COUNTY
COMMISSIONERS, FLORIDA

Kennie Downing
County Manager

Request for Proposals

Grant Writing and Administration Services

I. Introduction/Overview

The Baker County Board of County Commissioners (herein after, "County") has issued this Request for Proposals (hereinafter, "RFP") with the sole purpose and intent of obtaining responses from interested and qualified firms licensed to do business in the State of Florida offering to provide grant writing and administrative services, research funding opportunities, make applications for funding and manage projects from public grants or loan sources at the discretion of the County Commission.

The County currently has a grant writing contract with North Florida Professional Services (NFPS) for one year with two annual options that was awarded December 2016. This RFP is seeking additional grantwriting services that will run concurrently with the existing contract. The County seeks to award a one-year contract, with the option to renew on a year-to-year basis, not to exceed two (2) additional years.

Procurement and contracting for all services shall conform to grant guidelines as well as the state and federal regulation including 2 CFR, Part 200. All records shall be maintained in accordance with state and federal requirements.

The County is seeking services to hire a consultant; we are not seeking to hire an individual to serve as an employee. An award, if made, will be made to the best overall proposer(s) whose proposal is most advantageous to the County, taking into consideration the evaluation factors set forth in this RFP.

1) Background

Baker County is one of Florida's First Coast counties located in Northeast Florida, only a short distance from the Jacksonville beaches on the Atlantic Ocean. The county borders the state of Georgia, is 140 miles from the Florida Capital in Tallahassee, and 45 miles from the University of Florida in Gainesville.

There are 585 square miles in Baker County and the current population is 27,000. Macclenny, the county seat with a population of 5,500, is expected to keep up with the county projection.

Baker County is growing rapidly due to its prime location and the availability of five interchanges on Interstate 10, which crosses the county from east to west.

The Baker County Board of County Commissioners operates under a County Commission - County Manager form of government and provides a full range of government services including but not limited to: general government administration, fire protection, EMS Services, animal control, public works, building permits, etc.

2) Inquiries

Direct questions related to this RFP shall be in writing to Kennie Downing, County Manager, at kennie.downing@bakercountyfl.org Please include the page and paragraph number for each question in order to ensure that questions asked are responded to correctly.
