NOTICE OF ELECTRICAL APPRENTICESHIP OPPORTUNITY

The Jacksonville Electrical Joint Apprenticeship Training Committee now doing business as the Electrical Training Alliance of Jacksonville is accepting applications for the Apprenticeship daily Monday through Friday. Applicants must apply in person at 4951 Richard Street, Jacksonville; between the hours of 9:00 am to 4:00 pm. Applicants **must meet the following** minimum qualifications to qualify for interview:

1. **AGE** – be at least 18 years of age. BIRTH CERTIFICATE REQUIRED.
2. **EDUCATION** – High School Graduate (or G.E.D.) with at least 1 H.S. credit of Algebra I, OFFICAL HIGH SCHOOL TRANSCRIPT AND G.E.D. SCORES REQUIRED
3. **PHYSICAL CONDITION** – must be physically able to perform the work.
4. **DRIVER LICENSE** – Must possess and maintain a VALID DRIVER'S LICENSE & Social Security Card
5. **Qualifying Score** - Must obtain a qualifying score on the Electrical Trades Aptitude Test.

Veterans must furnish us their copy of DD214 with re-enlistment code at bottom.

You Must Have All (1-5) Above, OR...

Have 2,000 hours of verifiable electrical construction experience.

The Committee will interview each applicant who meets all basic requirements. The interviewers will consider: reliability, interest, attitude, judgment, cooperativeness, as well as other personal traits. The recruitment, selection, employment and training of apprentices, will not discriminate against apprenticeship applicants or apprentices based on race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, genetic information, or because they are an individual with a disability or a person 40 years old or older except the applicant must be 18 years of age to apply. Each applicant must meet **ALL** basic requirements by deadline to be eligible for interview. Applicants will be selected in the order of their ranking. These rankings are the results from the interviews. Applicants may be offered the Hybrid program. Applicants should work as a **CONSTRUCTION WIREMAN** prior to being interviewed for apprenticeship. The minimum starting wages for construction wireman is \$10.00/hr. & NEBF retirement. **A valid driver's license, a social security card or birth certificate, and an employer drug testing are required before being sent out to work.**

Do you want to be a part of something special?

- **Electrical Training Alliance of Jacksonville**
- **IBEW**
- **NECA**

Join Us!

This program gives individuals an opportunity to receive information about the electrical industry and the opportunities that are available to them. Participants will review introductory curriculum used in the electrical apprenticeship program and will also be exposed to information needed to help them succeed in the selection process. On-the-job training will also be a part of the pre-apprenticeship program. IBEW-NECA trains the safest workforce in the industry. Our program helps individuals to identify and deal with dangers associated with electrical construction, covering in detail all of the important components of the trade.

Your Commitment to This Program Includes:

- 6 Months of **Electrical Training and On-the-Job Training**
- **Hard Work**
- **Self-Growth**
- **Personal Responsibility**
- **Desire to Succeed**

The Pre-Apprenticeship Program will provide you with:

- Academic Instruction in Algebra, Reading, and More
- Career Exploration
- On-the-Job Training
- Transitional Classes for Potential Entry into a Registered Apprenticeship
- Job Readiness Skills Training

Who is eligible?

- Adults age 18 years or older
- High School Graduate / GED or Higher Education
- Those interested in an Earn While You Learn career opportunity
- Men, Women, Minorities, Veterans, and Others
