

Baker County

Addendum #1

RFQ 2018-19 Mining Permits Consultant

11/30/2018

RFQ# 2018-19 has been modified, with the following changes, which appear in strike and delete format, to account for the addition of Professional Geologist:

**2.7 PROPOSAL – STATEMENT OF QUALIFICATIONS SUBMITTAL FORMAT.**

B) Provide the name of the lead staff person who will be assigned to Baker County. This individual is expected to remain the responsible party throughout the engagement. The lead staff person must be licensed as **Professional Engineer and/or Professional Geologist** to practice in the State of Florida, and is preferred to have at least five (5) years' experience with a practice focused on representation of local government(s) in similar situations. List lead staff person's qualifications and experience performing similar services.

**3.3 SPECIFIC CRITERIA.**

3. Staff Qualifications and Firm Background- 25 points

The proposals will be evaluated on the basis of the consultant's demonstrated staff qualifications, which must include **a Professional Engineer and/or Professional Geologist** licensed in the State of Florida. Also, the proposal will be evaluated on the basis of the consultant's background, including the number of years in business.
