Request for Qualifications (RFQ), Professional Engineering Services for Baker County Paving of a portion of Turner Cemetery Road.

The Baker County Board of County Commissioners is announcing the RFQ for professional engineering/surveying for the paving/resurfacing services of Turner Cemetery Road. The selected firm will provide engineering designs, permitting and surveying. The selected engineering firm must have a proven track record, extensive experience and hold a State of Florida Professional Engineers License.

Baker County reserves the right to reject any or all proposals or any part thereof and/or to waive the information if such is deemed to be in the best interest of Baker County.
