Bid Opening:	August 31, 2023 @ 3:00pm

MINIMUM SPECIFICATIONS:

The County is seeking to augment the existing keyless access system of the Baker County Courthouse. Any details of the existing systems are purposefully omitted for security purposes, because of this, a mandatory walkthrough will be held on August 14, 2023 at 2:00pm. This is a rebid, if you attended the mandatory walkthrough for RFP#2023-07 you are not required to attend this one. The existing system has reached capacity. At least 7 additional standard access points are needed. There are two doors that we would like to add one-way video and two-way audio confirmation with a “buzz-in” override. There are existing malfunctional devices that will need to be made functional through this process, details provided at walkthrough.

The computer control systems for the existing keyless access system need to be replaced during this upgrade. You will be expected to provide the user terminals and software necessary to maintain the access rights of employees as well as provide for access logs of those employees. These user terminals should be configurable by staff and utilize multiple access level permissions based on principles of least privilege.

All prices and proposals must include:

- Delivery to Baker County Courthouse. Baker County is exempt from sales tax.
- Installation and certification of all equipment.
- All equipment and services itemized.
- An optional add-on for relocation within the facility of all existing centralized control equipment to another location within the facility that the County may or may not choose to implement at time of award. This optional location will be disclosed as part of the mandatory walkthrough.
- Any and all costs associated with any permits, fees, inspections, certifications, etc.

Provide your proposed items and prices on the “Proposal Sheet” included in this RFP.

All equipment shall be in new condition and not considered to be End-Of-Life.

TERMS AND CONDITIONS

1. FAILURE TO RETURN ALL PAGES OF THIS REQUEST FOR PROPOSAL MAY RESULT IN BID BEING DEEMED NON-RESPONSIVE.
2. Minimum specifications are intended to be open and non-restrictive. Contractors are invited to inform the County whenever specifications or procedures appear not to be fair and open. Such information should be supplied as early in the procurement process as possible. Information received in less than five (5) days prior to the scheduled bid opening will not be acted upon unless the County Manager determines that it is in the best interest of the County to consider.
3. Brand names and numbers when provided in solicitations are for reference and to establish a quality standard. Any reference to a brand name shall not be construed as restricting Bidders to that manufacturer (unless “no substitutes” is stated). Bids on equal items will be considered, provided the bid clearly describes the article offered and it is equal or better in quality and function and fully compatible with the requirement.
4. By submitting a bid, Bidder warrants that any goods or services supplied to the County meet or exceed the specifications set forth in this solicitation.
5. If any supplies, materials, and equipment are provided to the County under this solicitation, then such items shall be new and in first-class condition unless the solicitation specifically allows offers of used, reconditioned, or remanufactured items. If newly manufactured products are specified, such products shall be of recent origin and not previously used. No equipment of any type is acceptable if serial numbers or any other manufacturer’s identification labels or marks have been removed, obliterated, or changed in any way. Submit your bid early!
9. Bids must be signed by an officer or agent of the firm having the authority to execute contracts.
10. Contractor warrants that equipment under this Agreement shall be free of defects in materials and workmanship for manufacturer’s warranty period. After installation, if the County determines and demonstrates that provided replacements do not meet the minimum specifications the Contractor

shall be given written notice and must provide the County with replacement that meets the minimum specifications within seven (7) business days.

11. When the bidder proposes to furnish another product, he is required to furnish, with his bid, literature describing the item(s) being offered. Failure to furnish this literature may result in the bid being deemed non-responsive.
12. The apparent silence of these specifications and any supplemental specifications as to any details, or the omission from it of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail and that only materials of first quality and correct type, size and design are to be used. All workmanship is to be first quality. All interpretations of this specification shall be made upon the basis of this statement, with County interpretation to prevail.
