

- 1). 1. Can bidders present an alternate product with the bid? It is understood alternate product bids will only be considered and will not determine an award. The basis of the award is only on the plans and specifications provided. **Yes, however, any modification to design will need to be approved by FDOT per the County funding agreement.**

- 2). 2. If the county commission agrees to an alternative product consideration, will the bid form be modified to reflect such or can bidders simply include on their letterhead an alternative product bid? **Alternate bid may be submitted via Company Letterhead**
