SECTION 1: PROJECT INFORMATION

- 1.1 **PURPOSE:** The Baker County Board of County Commissioners is soliciting Statements of Qualifications from professional firms, registered in the State of Florida, pursuant to Section 287.055, Florida Statutes, known as the Consultant Competitive Negotiation Act (CCNA), to provide Engineering Services for Baker County.

The County intends to award continuing services contracts to a manageable number of qualified firms deemed to be the most highly qualified responders to perform the required services. In determining whether a responder is qualified, the County shall consider such factors as the qualifications of professional personnel; past performance; willingness to meet time and budget requirements; location; recent, current, and projected workloads of the firms; and the volume of work previously awarded to each firm by the County, with the object of effecting an equitable distribution of contracts among qualified firms, provided such distribution does not violate the principle of selection of the most highly qualified firms.

Firms selected by the County will provide engineering services to the County on an as-needed basis, based upon task orders to be issued by the County under the continuing services contracts. The contracts shall be for a maximum of three (3) years with two (2) annual renewal options, not to exceed five contract years from the date of the execution, unless terminated by the County in writing.

Assignment of tasks to the selected consultants will be at the sole discretion of the County. The County may choose to select another firm or use in-house staff to perform any of the described services in whole or in part. No minimum amount of professional services or compensation is guaranteed to the selected firms.

- 1.2 **PROJECT SUMMARY:** The Scope of Services is intended to provide Engineering Services on an as-needed basis for various projects. The proposed work will be known as the “Continuing Contract for Engineering Services”. Services under this contract may include any or all of the items listed under the “Scope of Services, attached hereto as Attachment “A”, or services not specifically mentioned, but directly related to the specific discipline.

Any additional service options would require submission of a proposal and related fees for approval by Baker County prior to any Work Authorization being implemented. These additional services will be added to the Standard Contract by Contract Amendment/Change Order.
- 2.9 It is expressly understood that the Commission's preference/selection of any proposal does not constitute an award of a contract with the County. It is further expressly understood that no contractual relationship exists with the County until a contract has been formally executed by both the County, and the selected Proposer. It is further understood, no Proposer may seek or claim any award and/or reimbursement from the County for any expenses, costs, and/or fees (including attorneys' fees) borne by any Proposer, during the entire RFQ process. Such expenses, costs, and/or fees (including attorneys' fees) are the sole responsibility of the Proposer.
- 2.10 **PUBLIC ENTITIES CRIMES.** A person or affiliate who has been placed on the convicted Vendors list following a conviction for public entity crime may not submit a proposal on a contract to provide any goods or services to a public entity, may not submit a proposal on a contract with a public entity for the construction or repair of a public building or public work, may not submit proposals on leases of real property to public entity, may not be awarded or perform work as a contactor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Florida Statutes, Section 287.017, for Category Two for a period of thirty-six (36) months from the date of being placed on the convicted Vendor list. By signature on this solicitation and confirmation on the attached form, proposer certifies that they are qualified to do business with Baker County in accordance with Florida Statutes.
- 2.11 The consultant by submission of their proposal warrants that he or she has not employed or retained any company or person, other than a bona fide employee working solely for the consultant to solicit or secure this agreement and that he or she has not paid or agreed to pay any person, company, corporation, individual, or firm other than a bona fide employee working solely for the consultant any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this agreement. For the breach or violation of this provision, the County shall have the right to terminate the agreement without liability and, at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

SECTION 3. EVALUATION/SELECTION OF SHORT-LIST

- 3.1 **EVALUATION/SELECTION COMMITTEE.** An evaluation committee appointed

and approved by the County Manager will be responsible for evaluating and ranking each firm based upon the Statement of Qualifications and proposals submitted.

3.2 The Evaluation/Selection Committee shall evaluate the responses to the RFQ and rank the firms based on the evaluation criteria contained herein. The Committee shall select a short-list of at least the three (3) top ranked firms. Each firm should submit documents that provide evidence of capability to provide the services required for the committee's review for short-listing purposes.

3.3 **EVALUATION CRITERIA.** A 100-point formula scoring system will be utilized based upon the following criteria:

1. Compliance with RFQ Instructions – 5 Points

The proposals will be evaluated for general compliance with instructions issued in the RFQ. Noncompliance with significant instructions may be grounds for proposal disqualification. A proposal needs to provide the required information in a simple but detailed format.

2. Firm's Approach to provide general engineering services – 25 points

The proposal will be evaluated on the consultant's approach to staffing, administration, and to provide design services for smaller projects. Consideration will be given on any cost saving or innovative approach to project management and engineering design.

3. Quality Control – 15 points

The proposal will be evaluated on the quality control process to be implemented to ensure that quality work products and services can be delivered in a timely manner.

4. Staff Qualifications and Firm Background- 15 points

The proposals will be evaluated on the basis of the consultant's demonstrated staff qualifications, which must include a Professional Engineer licensed in the State of Florida. Also, the proposal will be evaluated on the basis of the consultant's background, including the number of years in business.

5. Experience with Similar Projects– 15 points The proposal will be evaluated on the basis of similar project experiences. Projects completed for Baker County, other Counties or Municipal and other state or federal agencies will be considered.

6. Schedule and Availability- 15 points

The projected resource availability will be evaluated in the choice of the consultants, although Baker County understands that the actual beginning and completion dates of projects are subject to the notice to proceed. A firm's close proximity to Baker County would be important to availability.

7. References- 10 points

The proposal will be evaluated based on submittal of references.

- 3.4 **SHORT LIST/COMPETITIVE SELECTION.** The Evaluation Committee shall short-list a minimum of three (3) firms based upon the average technical scores as outlined in Section 3.3 and make recommendation to the Baker County Board of County Commissioners, who has final approval authority. If there is consensus from the Evaluation Committee that less than three (3) firms should be selected, the Evaluation Committee will record its reasons for presentation to the Commission. During the evaluation process, the committee reserves the right where it may serve the County's best interest, to request additional information or clarifications from proposers.
- 3.5 The County reserves the right to make selections based on the submittals only or to request oral presentations or questions/answer sessions with the top ranked firms before determining the final ranking. **The County reserves the right to reject all proposals.**

SECTION 4. CONTRACT PROCEDURES

- 4.1 **PRESENTATION TO THE BOARD:** County Administration shall submit an agenda item for presentation to the Baker County Board of County Commissioners requesting consideration and approval to award based on the recommendation of the evaluation committee according to the overall ranking and authorization to negotiate a contract with the top-ranked firms.
- 4.2 **COMPETITIVE NEGOTIATIONS:** Approval of the recommendation to award by the Baker County Board of County Commissioners will constitute authorization to negotiate with the top-ranked firms. The proposal package, signed by the successful proposer, along with documentation included in the proposal as required by this RFQ and other additional materials submitted by the proposer, and accepted by the County, shall be the basis for negotiation of a contract. Baker County shall negotiate a contract with the top ranked firms for professional services at compensation which Baker County determines is fair, competitive, and reasonable. The firm(s) receiving the award(s) shall be required to execute a truth-in-negotiation certificate stating that wage rates and other factual unit costs supporting the compensation are accurate, complete, and current at the time of contracting. During contract negotiations, the City will negotiate fee schedules with the goal of establishing standardized rates.
- 4.3 **UNABLE TO NEGOTIATE:** Should Baker County be unable to negotiate a satisfactory contract with the top ranked firms considered to be the most qualified at a price the County determines to be fair, competitive, and reasonable, negotiations with that firm must be formally terminated. The County shall then undertake negotiations with the next top ranked firm. Failing accord with the next top ranked firm, the agency must terminate negotiations. The County shall then undertake negotiations with the next top ranked firm. Should the County be unable to negotiate a satisfactory contract with any of the selected firms, the County shall select additional firms in the order of their competence and qualification and continue negotiations in accordance with this paragraph until an agreement is reached.
- 4.4 **CONTRACT:** A contract shall be drafted and forwarded to the County Attorney's

office for review and approval. After final review the contract will be forwarded to the firm for review and execution.

- 4.5 **FULL CONTRACT EXECUTION**: County Administration shall prepare an agenda item presenting the contract between the successful firm(s) and the Baker County Board of County Commissioners and request authorization for the Chairman to execute the agreement. The Baker County Board of County Commissioners retains full discretion to approve or to reject the contract.
- 4.6 **PROTEST PROCEDURES** – Firm may protest in accordance with the Baker County Purchasing Policies and Procedures Manual. A copy of the full manual is located on the County website at www.bakercountyfl.org/purchasing.php
