

**PUBLIC NOTICE
BAKER COUNTY, FLORIDA
INTENT TO REJECT BIDS**

Pursuant to Florida Statute 286.011, Baker County gives notice that bids received for BID 2022-13 will be rejected. Bid documents required all respondents to be FDOT certified, however, there was a lack of qualified respondents. This project will be re-advertised to remove the requirement to be FDOT certified. Additionally, language will be added to allow respondents to be either a General Contractor or hold an underground utility license.

Re-Bid information will be posted to www.bakercountyfl.org/purchasing
