St. Mary's Shoals Camp Host

Baker County Board of Commissioners is accepting applications for two "camp host" positions to play a key "live-on-site" role. There is seasonal variation, but on average, the camp hosts work 15 hours per week maintaining and supervising this beautiful park. In exchange for your service, we provide a campsite with RV pad, electrical, water and sewer hookup. Bring your own RV. Two sites available and located within St. Mary Shoals Park.

Both camp hosts should be available periodically throughout the day. This is a contract service agreement, not a Baker County employment opportunity. Apply now! For more info, see or call Sara Little (904)259-3613 or sara.little@bakercountyfl.org

The term of this agreement shall be a period of six (6) months. This agreement is renewable by mutual agreement of both parties. Camp Hosts shall request in writing said renewal not less than sixty (60) days prior to the expiration of this Agreement.

Application and the complete Contract with requirements are available at the Baker County Administration office located at 55 North Third Street, Macclenny, FL 32063 or online at <http://www.bakercountyfl.org/jobs>.
